Welcome to The Grange Junior School

The Grange Junior School provides an outstanding start to any child's educational journey. We understand the importance of these formative years in the development of each young person and want every child to develop a love for school and for learning. From Reception, at age 4, where we begin to encourage and nurture the potential of each child, through to Year 6, where enjoyment of learning is fuelled with challenge, risk and diversity, we strive to inculcate the values, skills and understanding of the world that will last each child a lifetime.

Our ambition is to ensure that at age 11, every child in our care is ready to leave, able to independently and successfully embrace a Senior School education. At the same time, we hope that they will look back with great fondness about their Junior School years.

We achieve this by offering a stimulating academic programme, attentive pastoral care and a competitive, varied enrichment programme, all delivered in impressive, modern facilities. Yet it is the caring relationships that we develop with every child and their parents that are the most important asset to ensuring educational success and happiness.
