

## Our Parent Digital Services

### iSAMS Parent Portal

- Student Data: Published School Reports, Lesson Timetable, Behaviour, etc.

### Firefly

- Repository of Letters, Parent information, Tracking your child's homework tasks

### Parents Evening System

- Booking online and in person parent evening appointments

### ParentPay

- Payment of School Trips, ad-hoc payments, Senior catering: top up and viewing meals purchased.

## Activating your Parent login credentials

### ParentPay

The Bursary department send activation details for your ParentPay account. This is normally completed before your child starts to ensure you can top up your child's catering account. For increased security protection, your credentials for ParentPay differ from your credentials used for our other systems.

### iSAMS, Firefly, Parents evening system

Each Parent will receive registration details for activating their iSAMS Parent Portal account. Once activated your credentials will provide access to iSAMS, Firefly and Parents Evening System. Whilst existing parents may have only Firefly credentials, activating these credentials will provide full access to all services.

## Your normal interaction with our services:

We often use Firefly as a starting point, for example weekly School emails may include Firefly links to PDF letters or relevant firefly information pages. When we communicate about specific academic matters such as published School Reports or booking your Parents evening appointments, we include links and guidance for these services. As you become familiar with our services, such as iSAMS, you may choose to access these services directly.

We understand accessing multiple services can be confusing, however we have simplified parent credentials (you have the same login for the majority of services). This results in a more unified experience for our parents who are then able to harness better functionality in relation to specific areas.

## Steps for activating your iSAMS Parent Portal:

1. Locate your individual parent **iSAMS Parent Portal Activation** email. This provides your temporary **Portal Access Code and Password**.
2. Navigate to <https://grange.parents.isams.cloud>
3. Select the **Create an Account** option on the Sign in screen.

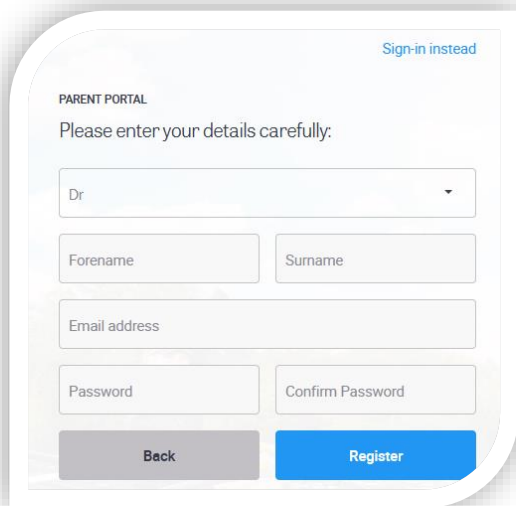

The screenshot shows the 'PARENT PORTAL' sign-in interface. At the top right, there is a link for 'Create an account'. Below the header, it says 'Please enter your login credentials:'. There are two input fields: 'Username / Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me' and a blue 'Sign In' button. At the bottom left, there is a link 'Sign in via external providers', and at the bottom right, there is a link 'Forgotten your details?'.

4. Enter your **Portal access code** and **Portal access password** into the boxes provided. You can find these credentials in your **iSAMS Parent Portal Activation** email.

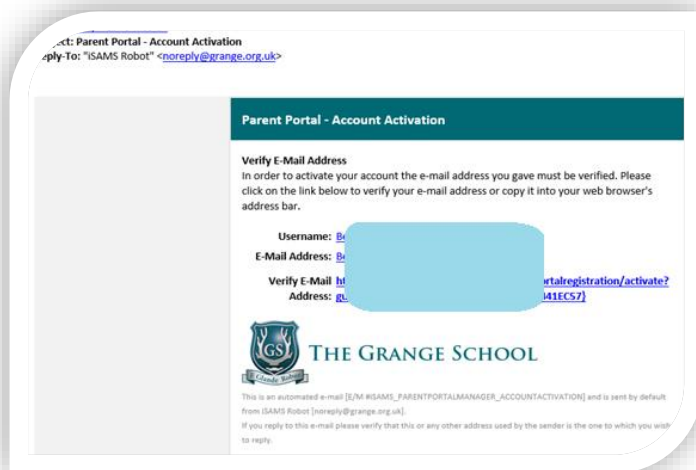

The screenshot shows the 'PARENT PORTAL' account creation interface. It says 'Create your parent portal account:'. There are two input fields: 'Portal access code' and 'Portal access password'. At the bottom, there are two buttons: a grey 'Back' button and a blue 'Next' button.

- Please carefully confirm your details and chose a password. This password must not be the same as other services and must be kept secure to protect your child’s data. Press **Register** to continue.

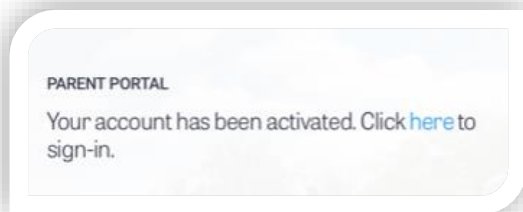

The screenshot shows a registration form titled "PARENT PORTAL" with a "Sign-in instead" link in the top right. Below the title, it says "Please enter your details carefully:". The form contains several input fields: a dropdown menu for "Dr", text boxes for "Forename" and "Surname", a text box for "Email address", and two text boxes for "Password" and "Confirm Password". At the bottom, there are two buttons: a grey "Back" button and a blue "Register" button.

- Having pressed **Register** you will receive an email similar to the below. Please click the link to verify your email address.

- Upon pressing the verify email link, take the option to Sign-in

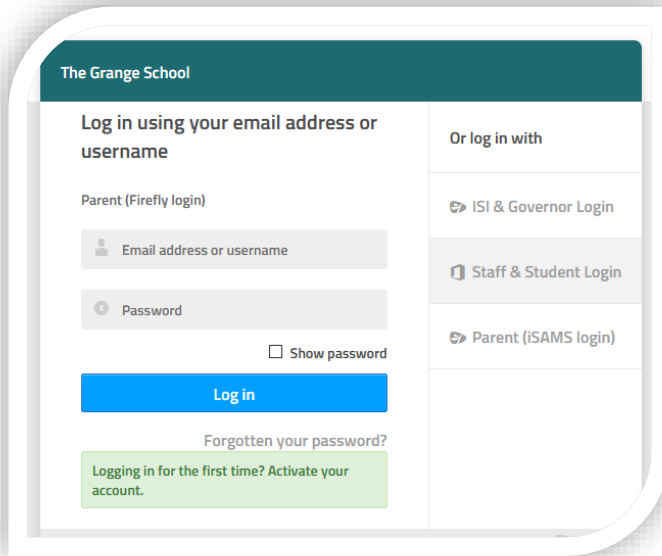

- You may be prompted to log into iSAMS – use the credentials you chose in step 5.
- You can navigate various Student Data within the iSAMS Parent Portal.
- Next, along the top menu, choose the **Firefly** link option

11. This will automatically redirect you to our Parent Firefly Portal.

12. When accessing the Firefly Parent Portal, you may need to press **Parent (iSAMS Login)** on the Firefly sign in page – this then uses your iSAMS credentials to get onto Firefly.

13. To Note: Pressing **Parent (iSAMS Login)** can be needed when:

- a. You navigate directly to Firefly <https://grange.fireflycloud.net>
- b. You navigate via the Firefly Parents App;
- c. You click a Firefly letter or page link we send you by email;
- d. On some browsers or devices depending on security options in place.
