

Transport 2018/2019

The Grange School is located in semi-rural Hartford providing many advantages over city centre schools. The school offers a safe, reliable and efficient travel service to a number of locations across Cheshire including, Chester, Crewe, Frodsham, Kelsall/Tarporley, Knutsford, Nantwich and Wychwood Park. The service which is available and appropriate for the use of all pupils aged 4-18 is provided by local, well-respected travel companies.

Drivers are DBS* approved and where possible remain the dedicated driver on a particular route.

Journey costs vary depending upon the location. Travel times are continually reviewed to keep them as short as possible. For up to date pricing, additional information and the Welfare and Safeguarding Policy please visit www.grange.org.uk/useful-information/transport/ or contact the Bursary Department on 01606 539010
